IN-STORE SERVICES

COMPUTERIZED WATER TESTING

We provide free in-store computerized water testing to check your pool's levels on a regular basis. Our professional testing includes: testing of free chlorine, total chlorine, pH, total alkalinity, calcium hardness, cyanuric acid, copper, iron and TDS (total dissolved solids).

INSTALLATION SERVICE

We have qualified pool service technicians that can assist you with the installation of any of the products or equipment found in our retail locations, as well as weekly maintenance.
