# TAKE YOUR BACKYARD BEYOND THE ORDINARY

Complement your pool, home, and property with our four top of the line products – all available in customizable sizes, colors, and features.

## PAVILION

This charming structure not only offers shade and protection, it brings family and friends together. These units mount directly to the deck and are designed to tolerate all 4 seasons. All pavilions are engineered to withstand 140 mph winds and snow loads of 45lbs per square foot.

## PERGOLA

This sophisticated centerpiece offers artistic ambiance while defining a space for central gathering. These units mount directly to the deck and are available with options like barrel tops and sun shades.

## CABANA

This completely enclosed retreat comes with standard sliding glass windows and screens. Cabanas includes a finished interior with a floor and can be mounted directly to a pool deck or placed on a bed of stone in the location of your choice.

## GAZEBO

A timeless design which offers a wide variety of options that fit any decor. All gazebos can be mounted directly to the pool deck or placed on a bed of stone in a location of your choice.
