## Add a decorative touch.

From indigenous local stone to brick or concrete, the number of finishes and configurations for your pool or spa perimeter is endless. In addition to being naturally beautiful, coping can keep your pool or spa cooler to the touch and safer for individuals getting in or out.

## Brick

Classic brick coping is cost-effective and easy to maintain. In addition to being an incredibly durable material, the beautiful clay color of brick doesn't fade and is easy to clean.
