

Nature²® Fusion

TAKING CARE OF YOUR POOL JUST GOT EASIER

Nature² uses the power of minerals like silver and copper to destroy harmful bacteria and algae for cleaner, clearer water you can enjoy while reducing chemical use.

THE PERFECT PAIR

Effective and easy-to-use mineral sanitizers work in conjunction with your pool's filtration system to deliver brilliantly cleaner, clearer pool water.

CONTINUOUS POOL PROTECTION

Nature² products provide peace of mind with round the clock algae control — even when your pump is not running.* Utilizing EPA-registered technology, Nature² is a conveniently simple solution that safely and effortlessly sanitizes water while reducing your chemical usage by up to 50% in most pools — so you won't feel, smell, or be affected by heavy chlorine usage. Additionally, lower chemical use helps save you money and keeps pH in a neutral range while prolonging the life of your equipment for lowered maintenance — so you can just enjoy your pool.

*See owner's manual(s) for required pump run times

-  **REDUCE CHLORINE USE UP TO 50%**
-  **CONTROL BACTERIA AND ALGAE**
-  **DECREASE POOL MAINTENANCE**

Nature² Fusion

CHLORINE TABLET FEEDER + Nature² SYSTEM

Nature² Fusion In-Ground is a robust and convenient chlorine and mineral sanitizing system. This easy-to-use solution automatically dispenses Nature² minerals and chlorine for a sparkling clean, balanced pool.

- For in-ground pools up to 45,000 gallons
- Commercial-grade

Nature² Fusion Soft

SALT CHLORINATOR + Nature² SYSTEM

A total mineral solution, the Nature² Fusion Soft system is an all-in-one salt water sanitizer and mineral system for in-ground pools, bringing you the benefits of Nature² minerals with the convenience and advantages of a salt chlorinator.

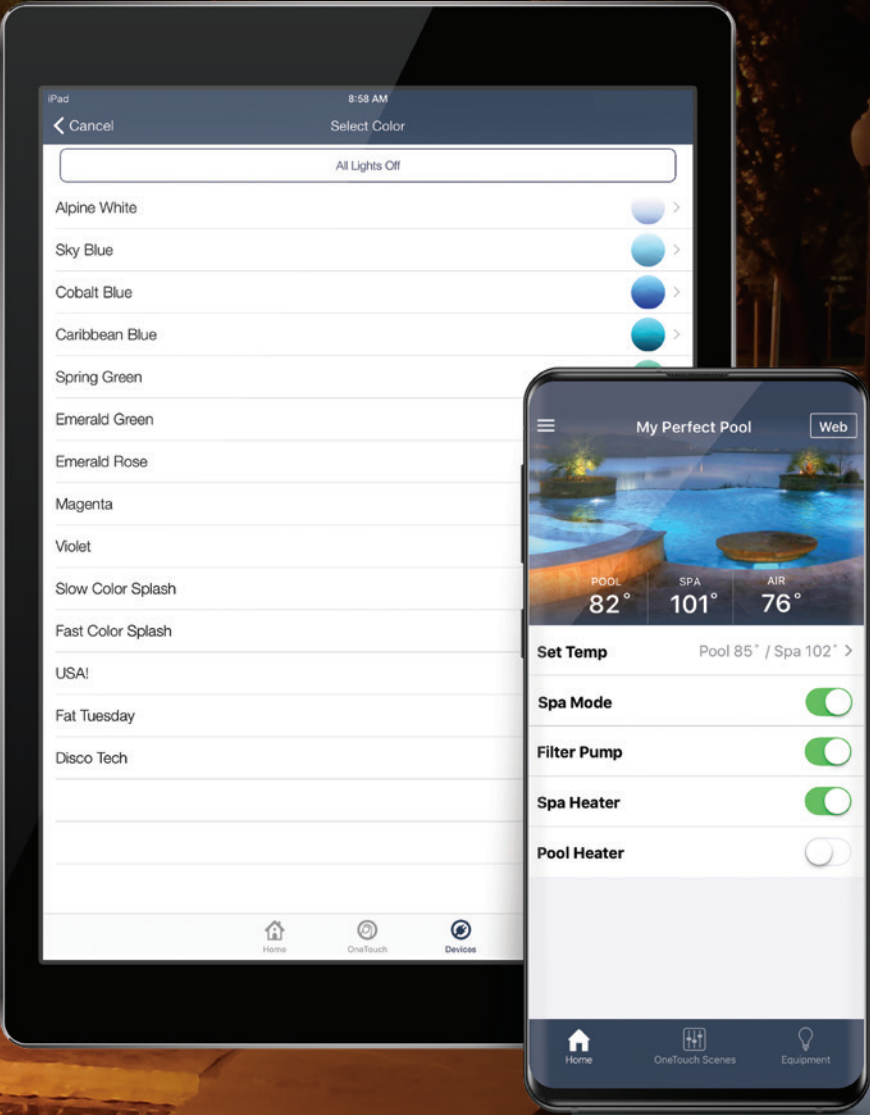

- For in-ground pools up to 40,000 gallons
- Commercial-grade

User-friendly & Intuitive Interfaces

Home Screen Devices Set Temperatures

iAquaLink®

POOL CONTROL IN THE PALM OF YOUR HAND

iAquaLink allows you to control your pool anytime, anywhere. Using our free app, you can control all the elements of your pool or pool/spa system, even when you're on the go.

Have the pool or spa ready to use as soon as you get home. Forgot to turn the temperature down while on vacation?

Not a problem with iAquaLink.

IAQUALINK IS EASY & CONVENIENT

- The highest rated pool control app
- Intuitive and user-friendly
- iAquaLink can be used alone, or combined with the complete line of wall-mounted or wireless AquaLink interfaces
- User accounts can be created in minutes, used immediately, and the service is free
- Control multiple pools from a single app

IAQUALINK CAN BE USED ON MORE MOBILE DEVICES THAN ANY OTHER POOL CONTROL SYSTEM.

- Free apps for Apple® and Android™ smartphones and tablets
- Mobile web-app works on virtually any other smart device

AquaLink® PDA / AquaLink® RS

AQUALINK PDA

The Jandy® AquaLink PDA system provides feature-rich, complete pool and spa control. The PDA system includes the AquaLink Wireless Handheld Remote for convenient in-home or pool-side control and programming.

- Virtually every function can be controlled, including: jets, lights, pool/spa switching, pump speeds, and heater or heat pump temperature and control settings, to name a few.
- Schedule filter pumps, pool and yard lights, or any other water feature directly from the AquaLink Wireless Handheld Remote.
- Control your pool from your smartphone, tablet, or any web-connected device when you add iAquaLink® to your PDA system.
- Intuitive & convenient
- Sitting pool side, relaxing in the spa, or lounging in a hammock — enjoy wireless remote control of your pool, spa, landscape lighting, or anything else AquaLink can control.

- Rubberized Material for Easy Grip and Durability
- User Friendly Interface
- Easy to Read Backlit Display and Buttons
- Hot Keys: Control Temperature Settings, Pool to Spa Switching and all Auxiliaries
- Runs for months on 2 AA Batteries
 - Always ready — never needs recharging
 - Less clutter — No charging stands
- Water Resistant and it Floats!
- With the AquaLink Wireless Handheld Remote you can control and program your pool with ease. Featuring a water-resistant housing and non-slip grip, the PDA allows you to control all pool/spa features and auxiliaries and has a large screen to clearly display status and functions

HOW IT WORKS
